

THE FRIENDLY SECURITY GUARD

Preview: Listen to the Story

The People

- You (Sara), a worker on the night shift;
- A security guard.

The Places

- The parking lot; the lobby of a bio tech firm

The Problem

- Your car has a dead battery. You are the only one with a car.
- The bus has stopped running.
- The security guard likes you. He wants to go on a date with you.

Discuss

- What is the problem? What are your options?
- What are consequences for each option?
- What is your final decision?
