

GRANTEE JIGSAW WORKSHEET

Exercise 1: Resonance Discussion

Instructions: Spend 5 minutes answering questions 1 and 2 individually. Spend 15 minutes sharing your answers with members of your team. As a group, discuss question 3 for 10 minutes.

1. What are the most compelling ideas, practices, tools you learned about today?
 - a. Say a few words about why these seem important to you.

2. How are the lessons you have just shared relevant to the goals of your pilot?
 - a. What gaps or challenges could these new ideas help to address?

3. What similarities or differences have you observed in people's responses?
 - a. What might these similarities or differences suggest about next steps for your team?

Exercise 2: Design Brainstorm

As a group, choose one or two gaps or challenges identified in Exercise 1. Applying HCD principles, answer these questions and chart results on the next page (30 minutes).

1. What is your understanding of the problem, based on what you know about the people you want to reach?

2. What additional information might deepen your understanding of the problem?

3. What possible solutions might you develop?

4. What action steps might you take toward one or more possible solutions?

Networking: Note names of colleagues with whom you want to connect on next steps.
